Vessel (Genesis 1, 1-3 and 27)	Scroll (John 1, 1-5)
<p>In the beginning God created the heavens and the earth. Now the earth was formless and empty [...] And God said, Let there be light, and there was light [...] So God created mankind in his own image [...] as] male and female.¹</p>	<p>In the beginning was the Word, and the Word was with God, and the Word was fully God. The Word was with God in the beginning. All things were created by him, and apart from him not one thing was created that has been created. In him was life, and the life was the light of mankind. And the light shines on in the darkness, but the darkness has not mastered it.²</p>
